

Supply Checklist for First-time Children in the Toddler Community

Child's Classroom Needs

Pull-ups/Diapers/Cloth Diapers: If your child is 18 months or older and wearing diapers/pull ups, we will want to transition them into cloth diapers or training underwear as soon as possible—staff will collaborate with parents. Please bring a week's supply or larger quantity to store at school.

Cloth training underwear: (this is a thick/absorbent style of underwear found in infant/toddler sections at retail stores). Bring 3-10 pairs depending on your child's toileting stage. If your child has not yet begun using the toilet, having underwear available is ideal to promote interest. (Plastic pants are not used at school.)

Change of clothes: 3 complete sets, including socks

Sweater or sweatshirt to remain at school

Indoor Footwear/Slippers—must have non-skid soles (washable is preferable in Honeysuckle) (Examples for Jasmine Room are Natives, Vans, Toms, or moccasin slip-ons)

Crib sheet: 2 standard size for napping (1 for morning dismissal children)

Crib size blanket: 2 for napping (1 for morning dismissal children)

Special napping comfort item—if needed. Please talk with teacher about your child's napping needs. Comfort items are sent home with bedding for laundering each week.

Lunch bag—small; vinyl or cloth—void of media prints. Choose a bag that your child can open or learn to open/close and carry independently. An ice pack must be included with your child's lunch daily.

Family photos: photos of anyone important to your child—include pets if possible. We will make a photo booklet for your child and place it with their resting things.

Reusable/ Washable Wet Bag: for soiled items

Community Use/Shared Items

Wet (toileting/diaper) wipes: 6 containers

Sealable Plastic Bags: 2 packages—any size

Clear Contact Paper: 1 roll

Watercolor Paper: 1 pad—any size

Facial Tissue: 4 boxes

Optional Community Items
