

Toddler Supplies List 2017-2018 School Year

1. One small non-toxic houseplant for your child to care for during the year in his/her classroom. Not only is this a great way to take ownership of the classroom, but also a wonderful lesson in care of the environment and botany. They will bring it with them when they move to the Children's House.
2. 1 bag of potting soil
3. 1 package of regular sponges
4. One box of sandwich size zip-lock bags
5. Water color paper
6. Band-Aids, 1 inch by 3 $\frac{1}{4}$ inch.
7. Any donations of non-toxic supplies are always accepted.
8. For our Disaster Preparedness kits in the classrooms, each child needs to bring a large zip lock bag labeled with their name, that should include a disposable 16oz water bottle, and a granola bar(no nuts please).

You are welcome to bring your supplies to the open house on Thursday
August 31st from 2-4pm.

Your contributions are greatly appreciated. Thank you so much.
